Phew - is that really another year almost over already?! Time really does fly when you spend your working life surrounded by the horniest babes on the planet, all eager to get into your, ahem, mag. This month, as you can see, we've been won over by quite a few new faces, like the beautifully-boobed Amy (who really didn't have to do much to convince us she was Club-worthy!), fitness- and man-mad Joa, who's got the kind of smile (and arse) that can turn heads at 200 paces, and a saucy brace of readers' girls. Man, I'm gonna miss 2008! – The Ed. ♣

SNAPPING THE CLAM

I've been a professional photographer for years, with a small studio in town. Most of my business comes from weddings and family portrait type stuff but now and again I get a job that makes all the boring crap bearable.

Melissa wanted to be a model and approached me at her friend's wedding wondering if I would do a set of pictures for her portfolio.

She was about 19 years old and absolutely gorgeous, with big tits and a slim toned body.

Now, I'm not some dodgy lensman who tries to jump the bones of any fit girl who enters

"I think it looks more horny if the girl is really turned on..."

my studio as I have a reputation to maintain, but if the opportunity arises, as it did on this occasion, I'm certainly not going to look a gift horse in the mouth!

Luckily for me, Melissa wanted to blaze a trail in the glamour business, and with a body like hers she stood a pretty good chance, but with no experience and no agent she needed all the help she could get.

When Melissa arrived at the studio I thought it would be a good idea to look through loads of sexy mags like yours first so she could get an idea of how it should be done.

Staring at all those pics of horny babes showing off their pussies, tits and arses while sitting next to Melissa soon had an effect on my cock but I was careful to hide the growing bulge in my trousers and I don't think she noticed. In fact, Melissa seemed to really enjoy the experience, even pointing to various shots and making comments about how good a girl's breasts were or that it looked as though a model had a wet pussy.

Yep, Melissa certainly was no shrinking violet when it came to sex!

After dressing in her own black stockings, high-heeled boots, an undersized bra to accentuate her big boobs and an ultra short, black, vinyl miniskirt, my prick was twitching like crazy and as I fired off the first few shots, I realised Melissa knew more about glamour posing than she'd let on, especially when she casually slid a hand inside her panties and stroked her cunt.

"I think it looks more horny if the girl is really turned-on," she said with a smile as she noticed my surprised reaction. "Don't you think so?"

With that, Melissa sexily pulled down her black satin panties and revealed her shaven twat with one finger embedded up to the knuckle inside. "Why don't you get a few close-ups of my pussy," she purred and opened her stockinged thighs wider so the lips of her purse gaped in front of me as she squirmed her glistening finger around in the folds of her hole.

Breathless, I knelt before her and pointed my lens up at her pussy while Melissa thoughtfully eased her fanny lips apart so that I could focus on her wet gash as I clicked away. As I lowered my camera to adjust the settings Melissa lowered her crotch towards my face, inviting me to eat it.

REALITY BITES

I wish I had a sex life like all the people who write in to you with their stories, but I don't. But being the kind of generous, caring man that I am, I fell it's time to redress the balance and let my fellow non-studs know they are not alone, so here's a tale of what happened to me the last time I pulled a chick.

I met this really sexy blonde babe in a nightclub who looked very similar to Suzy from *Club* 37/12, and couldn't believe my luck when she asked me back to her place for the night. When we got through the door she was on me, tearing my clothes off on the hunt for my dick, and when she found it she started sucking on it big time, making the kind of noises that make you think she's never tasted anything so good. Two minutes later I'd come in her mouth and she was calling me all kinds of names! I left pronto.

The end.

So what do you think? Is the life of a porn stud waiting for me round the corner?

Duncan, Brighton

DICK-AID!

Danni's (*Club* 37/12) not wrong about the sixties, it was a very sexy decade – hotpants, miniskirts, the sexual liberation, bobbi socks, everything about sixties women gets me hard, so Danni's pictures got me so hard I almost ripped my foreskin!

How about some more sets of hot babes dressed from different decades? You know the 50s were sexy, all those corsets and uptightness, and the seventies... total tits out naked revelry from start to finish!

Ryan, Liskergard

I wasn't going to refuse and pushed my tongue into her spread cunt, savouring the musky goo that dribbled into my mouth. Latching my lips over her opening, I sucked hard on the soft flesh as my dick bulged rigid in lustful appreciation.

Melissa moaned with pleasure and, with my mouth still pressed to her cunt, sank to the floor and onto her back. I reached for her lovely tits and squeezed them firmly as she bucked her hips, grinding her now sodden pussy against my pistoning tongue.

Suddenly her body tensed and she came in my mouth, jettisoning copious amounts of love fluid, which I slurped down.

Standing and staring at Melissa writhing on the floor, I tore open my jeans and pulled out my aching prick. Melissa sat up and with one hand, pulled my meat towards her own mouth, smearing my shaft with thick red lipstick as she slid it in. She cupped my balls and slurped on my dick for a while, her heavy tits and protruding nipples rubbing against my legs as

CASSIE

HEY GOOD LOOKIN'

But what's this?! Cassie's got nothing cookin'!

PHOTOS: FOX/KINKAL

This is the time of year a lot of our womenfolk find themselves bending over a hot stove all day, but we reckon we'd rather have Cassie flamping about over some sort of vintage range – even if it meant missing out on the scram at the end!

"Well, that's just as well for you," our svelte seductress smiles, "because I hate cooking. If a man wants to impress me, he'd better be able to show me he knows what to do in the kitchen himself."

Well, standing here watching you peel off like that, we reckon most men out there would know exactly what to do in the kitchen!

"Very funny! But I'm not kidding – I've never had to cook for myself, and I don't see why I should start now. There are other things I'm better at, and I'm sure you can guess what they are. The way to my heart really is through my stomach."

Well, if you fancy a nosh, we might just be able to rustle up a mouthful... ♣

TOP TEN...

GOB-SMACKING COINCIDENCES

1. In 1678, three men were hanged at Greenberry Hill, London: Robert Green, Henry Berry and Lawrence Hill...

2. On 13th February 1746, Jean Marie Dubarry was guillotined for murdering his father. A century later, to the day, another Jean Marie Dubarry was also guillotined for patricide.

3. In 1899 a man in Taranto, Italy, was killed by lightning. In 1949, his son was killed by lightning in the same spot. In 1949, his grandson was fried there by another bolt.

4. In 1930s Detroit, a baby fell from a window and passer-by Joseph Figlock broke its fall. A year later, the same baby plunged from the window, again landing on Figlock.

5. While visiting a restaurant, King Umberto I of Italy discovered the proprietor was his double. Both were born on the same day in 1844, in the same town. On 29th July 1900, just as Umberto learned the restaurateur had been shot dead, an anarchist shot Umberto himself in the head.

6. As WWI erupted, a German mother abandoned an undeveloped film-plate featuring an image of her son and fled Strasbourg for Germany. Two years later, she bought another plate to photograph her daughter. The print was a double-exposure, with the girl superimposed on her son's image...

7. In Poe's *The Narrative Of Arthur Gordon Pym*, four shipwreck survivors starving in an open boat eat the cabin boy, "Richard Parker". In 1884, the yawl Mignonette foundered, leaving four survivors in an open boat. The senior crewmen ate the cabin boy: Richard Parker.

8. In 1883, Henry Ziegland ended a love affair. The girl took her life. Her brother found Henry and shot him before killing himself. But the bullet had merely grazed Henry's face, lodging in a huge tree. Years later, when Ziegland dynamited the tree, the blast propelled the bullet through his cheating skull.

9. Twins Jim Lewis and Jim Springer were separated at birth - both unaware they had a twin. Both went into law-enforcement. When they met, both had wed women named Linda, sired sons named James Alan, divorced the Lindas and married Bettys.

10. Henri Trange fought five pistol duels. The first four of his opponents died with no shots fired. But before hostilities commenced in the fifth, Trange himself dropped dead.

she blew me noisily and held my balls firmly in her palm.

I was close to coming and, sensing this, Melissa dragged my saliva-coated knob out of her mouth, lay back down and lifted her stiletto-booted feet high in the air, making it obvious that she wanted me to fuck her.

I obliged, clambering between her spread thighs and resting her leather-clad ankles on my shoulders before pressing the tip of my dick into the gooey folds of her gash. It slipped straight up her, she was so well lubricated, and I gripped her tits again, this time tickling and nibbling her rock hard nipples as I pumped her sopping pussy.

"I want it over my boobs!" Melissa yelled as she pushed my hands away and mauled her tits for me.

Just in time, I pulled out of her warm cunt tunnel and wanked my dick furiously over her prostrate body.

Melissa licked her lips obscenely, like some slut in a porn movie, and squashed her tits together while looking longingly at my cock.

I could take it no longer and squirted a jet of thick white spunk into her face, splattering her cheek. The next gush landed on her boobs and the third coated her neck. I continued to come, the dollops of semen landing all over her front as she moaned and squirmed beneath me.

As I collapsed exhausted beside her, she scooped up a palmful of my seed and tipped it into her mouth, sucking it noisily down her throat as I watched.

"I've got a confession to make – I don't really want to be a glamour model," Melissa said turning to face me when she was done, a drop of my spunk dripping from the corner of her mouth. "When I met you at the wedding I wanted to fuck you and this seemed like the fastest way of getting your cock inside me. Hope you don't mind?"

I didn't mind at all, especially as I've got 36 photos to remind me of the best wedding guest I've ever shot!

Scott, Ipswich

"Melissa licked her lips obscenely, like some slut in a porn movie..."

NEIGHBOURHOOD WATCH

Just wanted to say thanks for the pictures of Reader's Girlfriend Theo (*Club* 37/12). She lives over the road from me!

I knew she was a rude girl as I've seen her go out on the weekends, and some of the clothes she barely wears drive me wild with lust.

I also see her boyfriend leaving for work in the mornings and I really want to go over and say I've seen his bird in *Club* but you know how badly that could turn out. Instead, I'll say it here: If you ever get fed up with her, I'd be more than happy to take her off your hands!

Andrew, Nuneaton

I'LL HOLD!

You've got to give me Natasha's (*Club* 37/12) number – I'll call her every day and get her wetter than a weekend in Wigan!

Or else get her to call me, I'll have her hanging on my line till the pips come out!

Nick, St Helens

STRANGER THAN FUCK-TION

Yesterday I was waiting at my local bus stop when this stunning blonde walked by wearing a really flimsy white miniskirt and a short fur coat. It was a windy day and as she came towards me the wind blew her skirt up to reveal her white cotton panties, but instead of brushing it back down, she just smiled knowingly and kept on walking.

I was rigid by the time she reached me and looked me in the eye, and when she passed me by the wind blew her skirt up again and I got a great view of her arse wrapped roud the back of her

Be honest - how often have you settled down in front of the telly of an evening, flicked through the several hundred channels we've all got these days, only to realise that there's nothing worth watching on? Well have we got some good news for you, because the team behind *Club International* (not to mention all our sister titles like *Mayfair, Men Only, Escort, Razzle* and *MensWorld*) have put their heads together and come up with has to be the best thing on the box since John Logie Baird put his sliced bread sandwich up there while he fiddled about with the vertical hold!

That's right, there's a whole TV channel (it's on Sky 911) crammed full of all your favourite *Club* babes – and new faces from all our other mags – doing what they do best – getting nude and getting rude! Oh, and a monthly subscription can be had for only £12 – that's a measly 40p a night!

PEARL IN HER OYSTER!

You don't need to be able to swim to go diving for Michelle's pearl!

PHOTOS: PHOTORAMA

We men love nothing more than splashing our muck on a girl's neck and face though rare is the lady that really loves to be on the receiving end. However, meet Michelle, a girl who has a taste for pearls!

"When I was 18 my boyfriend hated using condoms and would always pull out and come all over me," she explained. "But if he'd been any good at fucking I would never have got my kink – I just love to frig myself off with spunk on my pussy… I think it was about the third or fourth time we'd fucked and he'd failed to make me come but instead of cleaning myself up and hoping he'd finish me off next time I just said fuck it and rubbed his spunk into my cunt until I made myself orgasm, and the thing is I made myself come so hard that I couldn't wait for him to fail next time! I ditched him soon after but since then I have often asked my boyfriends to shoot their load over my clit and watch me as I finish off!"

MICHELLE

Nowt As Queer As Fuck!

MURDER MOST OWL

After a 14-week trial in 2003 in Durham, North Carolina, Michael Peterson was convicted of murdering his wife with a poker snatched from his hearth.

Although he is presently five years into serving a life sentence, his former neighbour, Larry Pollard, has been rattling every legal cage in the state – convinced that a tragic miscarriage of justice has occurred and that the late Mrs Peterson was actually killed by "an owl gone bad".

Pollard has offered voluminous information about owls to buttress his theory, but acknowledged his disappointment that police had discovered no feathers at the murder scene. However, a few weeks ago, the North Carolina State Bureau of Investigation disclosed at a legal hearing that one "microscopic feather" was found on a clump of hair in Mrs Peterson's hand.

Shouted an elated Pollard: "The feather has been found!"

Police believe, however, that the speck is actually a particle of household fluff.

FUCKING SICKOS

Forty-seven-year-old sex deviant Robert Martin was recently arrested in Cape May, New Jersey, after a State Police officer spotted Martin perusing an array of gentlemen's magazines in his car in a public car park. Police said there was a serving platter on the dashboard, stacked high with women's underwear, and a collection of naked Barbie dolls lined up on the seat.

On an even more sinister Barbie Dolls note, forty-three-year-old Christopher Sullivan has been collared in Oshkosh, Wisconsin, on suspicion of mailing his upstairs neighbours threatening packages... including a Polaroid photo of three naked Barbie dolls with their heads cut off.

Sullivan is reported to have told police that he was angry that the couple make far too much noise when they have sex.

SPECIAL NEEDS AGENT

Police in Knoxville, Tennessee, recently arrested world-class maniac Richard Smith, aged 25, after he called 911 from an air duct in the Knoxville Museum of Art, requesting rescue. But when local fire fighters pulled him out of the duct, and the police arrived on the scene, Smith became talkative, and this is where the real weirdness begins in earnest.

"My mission has failed," Smith told law officers. He went on to volunteer that he was "Special Agent 0931" with the "United States Illuminati" and that he had come to the Museum of Art retrieve a nuclear warhead from the Soviet Union that was concealed in a blue plastic cow in the basement.

Yes, you read that right: a blue plastic cow.

While trapped in the duct, he explained, he had received new intelligence from the Illuminati that the blue plastic cow had been transferred to a museum in Memphis. At this point, aware that his mission had gone utterly pear-shaped, he decided to phone the fire department on his mobile and ask them to free him.

On his way to the Knoxville hoosegow, Agent 0931 elaborated on this, adding that he had received instructions from "Director Womack" to "defuse and confiscate a Soviet-made MERV6SS-22AN warhead, with 14.5 kg of enriched uranium and a plutonium trigger, capable of delivering a 40-kiloton yield."

Police have said that other than the name "Richard Smith" they reject everything Agent 0931 has confessed to them as "nonsense".

But how cool would it be if he were telling the truth?

thong. Five minute later the bus still hadn't shown up and this girl appeared again. Only this time she stopped and asked me for a light. I don't smoke, and I told her so, and she came right out with, "Well do you have anything else I can suck on?" before cupping my crotch in her hand.

Thirty seconds later we were down a side street and she was lifting her skirt up and leading my hand down inside her knickers.

"See how wet I am?" she said, and she wasn't wrong – my finger slipped right inside the folds of her juicy pussy and got coated in her wetness. "I'm going to suck your cock and swallow all of your hot come..."

Squatting down in front of me, she pulled open my trousers and fished out my throbbing dick. Then she rubbed it round her lips making little appreciative noises before taking me inside her mouth.

It was warm and moist and it made me want to hump the fuck out of it! But I didn't want to fuck things up so I let her do all the work, sliding her lips up and down my pole while I enjoyed the ride.

"Fuck my mouth," she whispered just as I was getting close to orgasm, and fuck it I did. For her part, she took everything I gave, deep-throating me with ease. I'm afraid I came within seconds and she swallowed the lot.

I don't know why Dawn, my girlfriend, keeps coming up with little games like this, but I'm certainly not complaining!

A FELLA FOR STELLA

I've noticed recently that no one has been writing in to say just how great Stella is and I think it's about time to do something about it!

That last set of pictures from *Club* 37/12 are fan-fucking-tastic! This woman is one of the sexiest ladies on the planet – I don't know about my girlfriend getting all dressed up in nice underwear, but when Stella does it the world disappears from view and all I can see is her incredible body and oh-so-sexy face!

So can you tell her that there's one guy out there who loves her more than anything else in the world!

What we wouldn't give to be one of Summer's favourites…

"I'm not saying I do this for every guy I meet, but if I pull a guy I really like I make him take a bath with me first."

And why's that then? Don't you like dirty men?

"The dirtier the better, but I'm not talking about how clean they are. If I really like them, I get them in the bath with me and I make them clean me from top to bottom, making sure they pay plenty of attention to my holes. And then, when I'm good and wet, I give them my best blow-job. I get two kicks out of that, watching them jump out of the bath to avoid getting their spunk stuck to them and seeing their dicks grow hard again as I eat up their floating come…"

That reminds us, did we mention the boiler's packed up here? ♣

This Month: XMAS KIT

T'is the season to be jolly, tra-la-la-la-la, la-la-la-la, but only if you get the right present for the right person... You!

Christmas is a time of the year when, as with sexual assault, it's better to give than to receive...

Sony Rolly
Price: £250
www.sonystyle.co.uk

Got teenage kids or nephews with ADHD? Got somebody stashed in your cellar in Austria who you want to keep quiet? Then what you need is very clearly a break-dancing MP3-player, innit? At least that's what bonkers techies at Sony were thinking when they came up with the *Rolly*. An egg-shaped MP3 and AAC digital music player with 2GB of storage and side mounted speakers with its own tiny on-board amp that can roll, pitch and spin on the spot in time to what the kids are calling the 'rhythm'.

Seem pointless? Well of course it is. But when it comes down to it, you can guarantee the fruit of your loins will love it, particularly seeing as bundled software will let them programme in their own choreographed routines (which can also be uploaded and shared via a dedicated forum, believe it or not), Bluetooth allows them to stream music directly from their accursed music phones and, best of all, it switches to a 'shuffle' mode when you physically shake it.

OK, it'll either be broken or forgotten by Boxing Day, but that £250 will by you a Christmas Day to yourself and that's got to be worth every chocolate coin of it.

Ugobe Pleo
Price: around £200
www.pleoworld.com

Now here's a weird one that should keep both young nippers and adults alike busy while you crack through the sherry in front of the Bond movie: the *Pleo*. Yes, it's a rubber dinosaur. But, it's also a rubber dinosaur with AI...

The potentially terrifying *Jurassic Park* upshot of this is that, once the built-in battery is charged, *Pleo* (and his internal array of touch sensors, microphones, colour camera and rear speaker) will slowly come to life and begin to explore his environment, relying on commands and general cajoling to learn ever more.

Eventually, he'll be able to navigate unaided and learn more skills and tricks via connection to the Pleoworld website and, if anyone's feeling particularly keen on bringing down mankind with an army of small rubber critters, third party software can be used to script unique moves and tics, such as suddenly springing at the jugular.

Plus, what a great way to terrorize the neighbours' cat the next time it comes a-shittin' in your garden.

Blackberry Bold
Price: Dependent on contract
www.blackberry.co.uk

Women are almost impossible to buy for unless you're another woman or a thoroughly gay man. So, if you're struggling to come up with something decent for the missus, then may we recommend the myriad charms of the spanking new *Blackberry Bold*? Thank you.

Touch sensitive, with a 480x320 screen, Wi-Fi, tri-band HSDPA, and quad-band EDGE, the newbie comes with push email for 10 separate accounts, GPS, Microsoft Word, and even 1GB of internal storage.

Now I know what you're thinking: surely a woman has no use for all that! Well, if you think about it, armed with this she need never second guess what you want for dinner again at the supermarket as you'll always be able to tell her, if she's in the kitchen ironing on Christmas Day, you'll be able to get her to fetch you a beer without having to shout and, if you decide to head out on this Holiest of days on the lash with the lads, no matter where you wander, she'll always be able to find you in the car to drive you home with the GPS!

Denon AH-NC732
Price: £250
www.denon.co.uk

But none of these are as important as the present you buy yourself. This year go all out and reward yourself with the *AH-NC732* headphones from Denon. Why? Because they're Noise Cancelling.

You got it – capable of ridding you of up to 99% of outside ambient noise, no matter how rowdy the family gets nor how much the missus moans, you won't be able to hear anything but the strains of the television in perfect, high-end, Denon-quality clarity. Textbook.

Good for up to 40-hours per battery change, there really will be peace on Earth. For you, anyway... ♣

"Yes, I try to do it regularly. Ever since I started pilates last year I've been feeling really healthy and…"

Erm, OK, but we weren't really enquiring about your exercise regime. Our crude attempt at a *double entendre* clearly passed you by.

"Oh, I see! So what you're really asking is whether I like to spend much time riding a nice fat cock – is that right?"

Ahem, yes, that's it. It's not quite so funny when you put it like that, but that's about the crux of the matter.

"Well of course I do, silly! You don't think I'd be so keen to appear in Club if I wasn't a little bit sex-crazed, do you? In fact a good shafting has got to be the only exercise I prefer to pilates!"

And does doing one ever put you in the mood for the other? Because If you fancy a good work-out, we're sure we could find someone here who'd be more than happy to help out… ♣

GEARED UP!

Don't buy this if you like your girl to grind down your gearstick...

With the end of the year comes a bit of perspective. You're 12 months older, fatter and closer to the grave. And thanks to all that present-giving, you're probably skint as well.

To make matters worse, our politicians are cackling to themselves because they're creaming off more and more tax from you to bail out all those billionaire bankers. So perhaps your New Year's Resolution will have nothing to do with diet, health or abstinence. It'll be all about trying to shake off that hideous tax squeeze and cut loose.

But how do you do that? Well, you could splash out £92,000 on a *Tesla Roadster*. You won't take delivery until May, but when it comes, this electric two-door will cost you barely a bean to run.

This isn't some smug little hybrid or milk float that runs out of battery power after 10 minutes. It's a genuine electric vehicle with a range of over 200 miles – and the best thing is, it has Ferrari humbling performance and looks like a proper sports car. What's more, beyond VAT, those grunters at the Treasury haven't got anything in place to tax you for owning one yet. It's a winner.

If you think it looks familiar, that's because it does. The *Roadster's* styling is loosely based on that of the Lotus Elise, yet it looks more refined than the Lotus, largely thanks to that smoother front end.

Mind you, for a machine that costs the best part of six figures, inside the *Tesla* just isn't much cop. While the dash isn't quite as spartan as that in an Elise, it's still far from luxurious. Sat-nav and Bluetooth aren't standard, and the stereo could sound better. In fact, the only thing that stands out is the display showing how much charge is left.

This, at least, hints at the genius at work under the skin. The innovative drivetrain comprises four main parts. First up is the battery pack, which is effectively the fuel source. Engineers have come up with a radical design that banks nearly 7,000 advanced mobile phone-style lithium-ion batteries together. This is small enough to be packaged away unobtrusively, and weighs only 450kg. It's also good enough for more than

TESLA ROADSTER

Motor: 375-volt AC induction air-cooled electric motor • **Power:** 248bhp • **Torque:** 375Nm • **Range:** 220 miles
0-60mph: 3.9 seconds • **Top speed:** 125mph (limited) • **Price:** £92,000 • **Contact:** www.teslamotors.com

100,000 miles of peak performance driving – and then, when the batteries have finally been worn out, they can be recycled.

The super-powerful battery pack feeds a lightweight motor that's about the size of a water melon. Up to 90 per cent of the motor's energy is ploughed straight back into propelling the car – so the heat you would normally feel coming from under the bonnet of a conventional petrol vehicle is effectively used to turn the wheels. Why has nobody else thought of this?

The innovation doesn't end there, though. Instead of fitting a heavy transmission, the new car has a single-speed gearbox. All you do is shift the lever into drive, and the electronics decide how quickly you take off according to how hard you press the throttle.

This trickery is all contained in the final, and most crucial, part of the drivetrain: the Power Electronics Module (PEM). When you shift gears or accelerate, it translates your commands into precisely timed voltages, telling the motor to respond with the proper speed and direction of rotation. This microprocessor is the brains of the *Tesla*, controlling the level of torque and monitoring the amount of energy being drawn back into the drivetrain when the car brakes.

It's all amazingly clever – and until you drive the *Roadster*, it's difficult to get an idea of just how it all comes together. Floor the throttle from a standstill, and you surge towards the horizon instantly. There's no lurching from gear ratio to gear ratio – just pure, uninterrupted forward propulsion. Of course, there's no throaty soundtrack to accompany this amazing progress, but when you experience such rocketship performance, you won't care what noise it makes. As the mechanicals and carbon fibre body are so light, the drivetrain's 248bhp and 375Nm outputs go much further. The *Roadster* covers 0-60mph in just under four seconds, while it's restricted to a 125mph top speed – figures that can't really be sneered at by any fast car fan.

Instead of fitting a heavy transmission, the new car has a single-speed gearbox

On a twisty road, the input Lotus had in the engineering comes to the fore. The front suspension has been carried over from the Elise, and the steering retains much of the sharpness and responsiveness of the British two-seater. It's not quite as agile, mainly because of the extra weight the battery pack puts over the rear wheels. But the fact all this cutting-edge technology has been presented in a package that handles this capably can't fail to impress.

After around 200 miles of fun, you will need to recharge those batteries – and with each full charge costing a matter of pennies it probably works out as good value. Only 250 models are coming to Europe, but they'll be snapped up fast by people wanting to make it a happy New Year for their wallets – and a crappy one for the Treasury. ♣

In bed with... PRIVA

Where are you from?
I'm from Thailand but now I live in France.

How did you get into the adult business?
While working in a restaurant in Phuket, I met the former French porn star, Oliver Sanchez, who was in the middle of a five year sabbatical *(Porn stars take sabbaticals?! – Ed.)* in the Far East. We fell in love and got married. After eighteen months in Thailand, we moved to France and Oliver decided to return to the adult industry. When he asked me if I wanted to join him, I said, "You start first and I'll watch how it is."

I accompanied him to a job and watched him filming. I thought to myself, I could do that. I have a nice body and I love sex.

I also had to find out if I could deal with the fact that he had to screw other girls at work. I wasn't jealous though, as I realised it was just part of the job and had nothing to do with any feelings of love. At this point, I decided to get involved as well. There were only two small problems…

Which were?
My boobs – or rather the lack of them. These two babies are new. I got them done in Paris.

What are your ambitions?
I want to be a star! I want my photos on magazine covers and I want people to ask me for my autograph.

You must be pleased – you were one of Private's first exclusive contract girls…
I was so excited about that.

"I want my photos on magazine covers and I want people to ask me for my autograph!"

Private is a such a huge company and that was a great prospect for me. To be their contract girl was fantastic.

You first Private movie, 'Discovering Priva', was directed by Gianfranco Romagnoli. What was it about?

It is such a romantic story! It's about a young innocent girl who works in a bar/restaurant in Rome. One day she is discovered by a fashion photographer and soon she is swept away by the fame and fortune of the fashion industry. In the meantime she is searching for true love.

As a Thai girl, do you prefer to have sex with Europeans or Asians?

European guys! If somebody asked me right now if I want to make love with a good looking Asian guy, I would say no, because generally, sex with Asian men is so boring. You lay down, get fucked and when he comes, that's it! Oliver taught me how pleasurable sex could be.

What have you learned sexually from working in the porno business?

Lots, like how to make love to another woman, for instance.

And which women are your favourites to work with?
Susy Diamond and Diana Gold.

What are your limits when it comes to sex?
In the movies, I do pretty much everything, like double penetrations involving pussy/ass and double vaginal, but I don't enjoy things like slamming and spitting in the face. I also enjoy anal sex in my private life

"I do pretty much everything, like double penetrations involving pussy/ass and double vaginal..."

and have done ever since I lived in Thailand.

Has sex become just a job for you now?
Sex is fun and I need it every day. If my husband is not around, I just have to pleasure myself.

Are there any sexual fantasies you'd like to experience?
I'd love to be stranded on an island with hundreds of really handsome men. I would also like to fuck in an aeroplane and even up a tree, but that's probably because I love nature so much.

What is the weirdest place you've ever had sex?
It has to be under the water in the film, *Private Dive*. It was so much fun for me to be fucking right on the bottom of a swimming pool!

Did you have an orgasm?
I didn't on that occasion but I normally do climax on set.

Does penis size matter to you?
Normal size is the best for rough sex. I like being fucked hard so a big cock might be a bit too painful.

What is the most sensitive part of your body?
Definitely my neck! Oh, and my pussy, especially when it is licked by Oliver. He knows exactly how to hit the right spot!

What's your favourite position and why?
I can feel a dick best in the doggy position, but to have an orgasm I prefer to be on top with my pussy being stroked at the same time.

What are your best qualities as a porn star?
Being a Thai girl has certainly helped my porn career and an actor friend once told me that my pussy is very elastic.

"It was so much fun for me to be fucking right on the bottom of a swimming pool..."

What are your hobbies apart from sex?
Motorbike riding, scuba-diving, jungle survival and Thai-cooking – I just love the big outdoors.

What is your biggest turn-on?
Watching sex scenes featuring my husband. It turns me on to see him fucking other girls.

Do you watch your own porn movies?
No, I don't but my husband likes to watch them. I guess he likes seeing his wife fuck other men. ♣

GOING GREEN

A wife came home early and found her husband fucking a hot young babe.

"You bastard!" she cried. "How dare you do this to me – the mother of your children! I'm leaving you. I want a divorce!"

And the husband replied, "Hang on just a minute love, so at least I can tell you what happened."

"Fine, go ahead," she sobbed, "but they'll be the last words you'll ever say to me!"

And the husband began: "Well, I was getting into the car to drive home and this young lady here asked me for a lift. She looked so down and out and defenseless that I took pity on her and let her into the car. I noticed that she was very thin, not well dressed and very dirty. She told me that she hadn't eaten for three days! In my compassion, I brought her home and warmed up the enchiladas I made for you last night, the ones you wouldn't eat because you're afraid you'll put on weight. The poor thing devoured them in moments. Since she needed a good clean up I suggested a shower, and while she was doing that I noticed her clothes were dirty and full of holes so I threw them away. Then, as she needed clothes, I gave her the designer jeans that you've had for a few years, but don't use because you say they are too tight. I also gave her the underwear that was your anniversary present, which you don't use because I don't have good taste. I found the sexy blouse my sister gave you for Christmas that you don't use just to annoy her, and I also donated those boots you bought at the expensive boutique and don't use because someone at work has a pair the same.

"There's a naked woman waiting for me at home."

"I don't see how that is a matter of life or death."

"If I don't get home before my wife does, I'm a dead man."

"Actually, no," he replied.

"Can you get him for me? I need to speak to him," she said, running her hands into his hair.

"I'm afraid I can't," breathed the bartender. "Is there anything I can do?"

"Yes, I need for you to give him a message," she continued, running her forefinger across the bartender's lip, popping a couple of her fingers into his mouth. "Tell him," she whispered, "There's no toilet paper, hand soap, or paper towels in the ladies loo."

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I've always wanted to be in a porn mag but where I'm from in Australia it's a close knit community and the risks were too great, but while I'm over here in Britain I thought it was the perfect opportunity to realize my dream!

YOU DREAM ABOUT BEING IN PORN?

Too bloody right I do!

I've always been a horny girl but being from a small community meant that I had to hide it from everyone except when I'd go to the city for a fuck off wild weekend.

SO YOU'RE ENJOYING YOUR TIME OVER HERE THEN?
Yeah, I've been fucking my way across the UK!

SO WHAT'S THE BEST SHAG YOU'VE HAD SO FAR?
I went to Blackpool last month and ended up in a hotel room with two British guys who fucked me left, right and centre, but I had the last laugh when after they'd coated me in their come I asked for more and they told me to wait a while! I played with my pussy until they were hard as fuck for it and then told them I'd had enough!

ANY LAST WORDS FOR US BRITS WHO MIGHT MEET YOU AFTER THIS?
Yeah, I'm a very horny girl and I absolutely love sex – I haven't yet met a man who is a match for me so if you think you are and you see me in a club or something don't hesitate to come over and talk to me! ♣

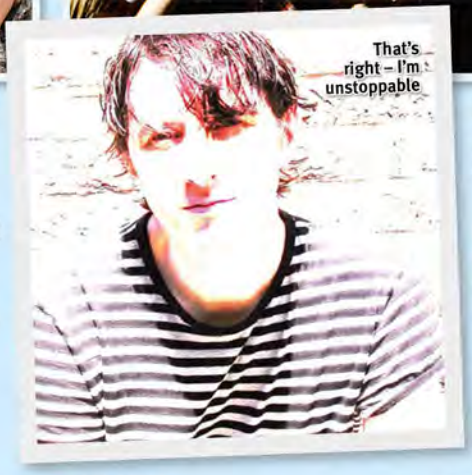
THE PORNOGRAPHIC BRIT AWARDS 2008

It's that time of year again when all the record company bosses are fingering each other's arses and hoping their artists have come up top trumps at Club's "Pornographic BRIT Awards"! Will it be Westlife? Will it be Usher? Will it be James Blunt? Will it fuck!



BEST BRITS (INSIDE ENGLAND)
THE VERVE

Not exactly the greatest year for British bands but at least old school favourites The Verve managed to make a fair few bob dominating a few of the year's festivals, and lubing up several thousand indie chicks in the meantime. Bizarrely, Richard Ashcroft still thinks that the drugs don't work – he clearly needs a new dealer.

BEST YANKS
YANKY DOODLES

It is incredibly hard to say this, but planet earth music for the first time in a donkey's yonk belonged to the Yanky Doodles. In a year where you could initially get $2 to the quid, the hamburger munchers released their 4th killer LP and then we were only getting around $1.6. The uneducated and the financial sector blamed the credit crunch but those on the inside knew exactly what was going on – the men with dodgy beards were taking over the world.

BEST BRITS (OUTSIDE OF ENGLAND)
GLASVEGAS

With probably 2008's best album outside of the States, Glasvegas guitarist Rab Allan confessed to having a war chest full of stolen ladies' underwear and a penchant to shagging birds on the elephant side of big. He then went on to say that he would "look into" shoving his Scotch dick in a young girl's arsehole before shoving it in her mouth. And that, boys and girl, is what rock'n'roll Club style is all about.

BEST SONG
IGLU & HARTLY – In This City

All over radio stations like flies in Africa, the LA pornopop deviants arrived in the UK with only one thing in mind – fingering girls. During a gig at Manchester's Night & Day Café on September 27th, lead singer Jarvis craftily invited young female members of the audience on stage to get jiggy with it. Within five minutes of the encore, said man was seen by *Club International* with three digits up a Latvian bird's ring. Top bloke.

BEST ALBUM (AND BEST CLOTHES)
SANTOGOLD – Santogold

With an arse made of granite and a pussy like a Russian gymnast, Santi White paraded the stages wearing kinky pyjamas and neon jump suits and even went on tour with the Gold Digger himself, Kanye West. What they got up to on the tour bus is their business, but I bet R Kelly wishes he'd have got there first. A blinder of an LP and hopefully we'll be seeing a lot more of her (on RedTube).

BEST OFF YOUR TITS ACT
DIGITALISM

Taking drugs was never easier after seeing the

Where's that bastard Zebedee?

2008'S YOUNG WHIPPER SNAPPERS

Watch these fuckers bloom in 2009...

1. TWISTED WHEEL
These Oldham lads have toured with Oasis and will shag a lot of girls next year. Don't worry, there'll be plenty of wet gash to go around at their gigs

2. CAGE THE ELEPHANT
Kentucky Fried Chicken style hillbilly rock 'n' roll with a hint of The Doors. Definitely one for the boys.

3. LATE OF THE PIER
Theatrical indie for deviants – You'll fucking love them!

4. LYKKE LI
Fit as fuck Swedish bird with a nice shaven pussy. We've tried to get her to do the centre spread but she wasn't having it.

5. FLORENCE & THE MACHINE
Not exactly the fittest girl but you'd still shag her – Florence makes girly indie music to get sucked you off to.

Van Halen were a huge influence on Digitalism

Hamburg duo's incredible sets at the Reading and Leeds festivals. And we finally met someone who hadn't been affected by the credit crunch – Doncaster Dave was still knocking them out at three for a tenner and even chucked in a free pair of wellies he'd found in the Duracell Tent.

BEST BUNSEN BURNER (NICE LITTLE EARNER)

CARTER USM

Putting in the minimum effort for the maximum return, Carter and the Unstoppable Sex Machine lads Jim Bob and Fruitbat don't have to bother working in 2009 thanks to two sold out gigs at the Brixton and Birmingham Academies. Infamous for twatting Phillip Schofield at the Smash Hits Poll Winners Party in 1991, the South Londoners will be able to go to bed on Monday mornings without a worry in the world. The jammy fuckers!

BEST CLUB

MANCHESTER WAREHOUSE PROJECT

Smuggle your gear through the main door and it's every man for himself once you've got into the massive space underneath the Piccadilly train station. One of the best things is the unisex portaloo toilets – even if you don't need a piss, just queue up anyway and you're bound to chat up a few girls. And if you get lucky or aren't fussy, some of them will even let you wank on their skirt whilst you snog them in the plastic, slightly smelly love nests. And you can't do that in the capital.

BIGGEST FUCK UP

GEORGE MICHAEL

Amy Winehouse was always going to be a hard act to follow, but George Mick has had a damn good crack at it. After going for a wander up Hampstead Heath, looking out for little furry squirrels and the like, the Old Bill caught him with a few rocks in the public shitters. You'd think with his brass he could get himself a room at the Travelodge but maybe even the credit crunch got to him, too. ♣

ON THE GAME

LEGO BATMAN

(Warner Bros) *PS3, Xbox 360, Nintendo Wii, Nintendo DS, PSP, PS2, PC & Mac*

★★★★

Anyone who's played the *Lego Star Wars* and *Indiana Jones* games will know exactly what to expect from *Lego Batman* – make merry hell with all the henchmen while building stuff out of Lego bricks. Sounds dull? You couldn't be further from the truth. We loved the *Star Wars* ones and we love this one almost as much – if only because *Star Wars* makes us harder than a man in a lycra costume with a boyish sidekick…

Looks childish but has that thing all good games do; an inexplicable pull that makes you want to play it again and again!

FAR CRY 2 (Ubisoft)

Xbox 360, PS3, PC

★★★★

With any FPS the proof is in the online multiplayer action, and though *Far Cry 2*'s solo mission is a corker, once you've sampled the delights of multiplayer skirmishes it's likely you'll never play alone again.

Unlike the devilishly irritating deathfest that is the latest *Call Of Duty*, where one bullet can put an end to your fun, *Far Cry 2* gives you enough health to take a few hits before it's all over and has a neat little way of reviving yourself. Instead of picking up health packs, you merely have to press a button to self-heal (slap the flames burning your skin out or yank the bullets out with a pair of pliers!).

We've wasted hours trying to kill each other on a variety of detailed maps and expect to waste plenty more time finding even better ways to die!

SONIC UNLEASHED (Sega)

Wii, Xbox 360, PS3

★★★★

To know how long it's been since a decent Sonic game was unleashed onto the market you'd need to be of an age where you can remember only having the one phone that was parked in the hall at the bottom of the stairs. In other words, it's been fucking ages since Sonic's impressed gamers. *Sonic Unleashed* will, without any need for hype (God knows they've hyped enough of these games to ruin his cred forever), make every thumb bandit that's ever spun the blue-haired freak down a tube remember just why they used to love him so much.

It's a mix of 2D and 3D action in which Sonic now turns into a werehog whenever the sun goes down and sees him stop all the insane ring collecting ultra speed and fight like a bastard!

Check it out, it's the best Sonic game we've seen since sliced hedgehog.

MY FUCKY WUCK!

So much for Brand-loyalty, eh?

Well, she did for Russell Brand's Radio 2 career, and now, thanks to *Club International*, you can see exactly what all the fuss was about! OK, so the fact that she's in a band called the Satanic Sluts and goes by the name of Voluptua might have indicated to her dear ol' grampappy Andrew Sachs that she wasn't, perhaps, as pure as driven snow, but bragging about it on the radio was enough to see Brand parting company from the beeb, and cost Jonathan Ross a few weeks' salary to boot (which is estimated to be well over £1m, struggling license fee-payers!). Personally we wish Georgina all the best - we reckon she's got what it takes to go all the way!

OFF YOUR HEDONIST

Brain-dead zombies shuffling around in the Big Brother house? C'maan, tell us something new!

RATINGS: ★PLAN 9 FROM OUTER SPACE ★★ ZOMBIE HOLOCAUST ★★★ SEAN OF THE DEAD ★★★★ 28 DAYS LATER ★★★★★ EVIL DEAD 2

Dead Set (4DVD)

You can't beat a good zombie flick, can you? There's something about that classic apocalyptic zombie set-up that you can't get anywhere else, and TV's Charlie Brooker clearly feels the same way, having penned this 5 episode series that combines all the usual zombie nastinesses with the additional horror of a *Big Brother* household full of irritating no-marks. Being cooped up in the house, of course, they're initially ignorant of, and protected from, the carnage outside, but being a typically squabbly BB crowd, what are the chances of them seeing things through to the end? Some good turns from the likes of Andy Nyman and Jaime Winstone keep it bubbling nicely along, although you can't help feeling Brooker could have added some more bite... ★★★

24 Redemption (20th Century Fox)

We'd always thought the point of *24* was that each series was, you know, 24 hours long (minus adverts), but this time they've gone for the traditional story arc condensed into a two hour movie format. That's right, this flick is designed to bridge the gap between series six and seven, and finds Jack trying to make amends for all the nasty things he's done by putting in a spot of missionary work in Africa. Until, that is, a local uprising turns everything to shit, and then it's cue the shootings and explosions. Get in! ★★★★

The Dark Knight (Warner Home Video)

In 1989, when the first modern Batman film hit the screens, everyone was wowed by how dark it was. Well, this latest offering, with Christian Bale re-donning the cape after *Batman Begins*, is so fucking dark it makes Michael Keaton's caped crusader look about as dark as an episode of *The Tweenies*. Christ Almighty – give it another two or three films and all we'll be getting is a pitch black screen with the sound of sobbing and brutal death in the background. Still, this is a superhero film for grown-ups featuring the late Heath Ledger's unforgettable Joker and well worth seeing. ★★★★

TWO DISC SPECIAL EDITION
BALE CAINE LEDGER OLDMAN ECKHART GYLLENHAAL FREEMAN
THE DARK KNIGHT
WELCOME TO A WORLD WITHOUT RULES.

Devil Hunter (Severin Films)

Director Jess Franco was one of the undisputed masters of the exploitation flick, and this is a prime example of his sleazy fare. It's another in the long tradition of films that followed *Cannibal Holocaust*, pitching scantily clad dolly birds and men with guns and hairy chests against a tribe of savages who like nothing more than dancing around in the nude and offering girls up for sacrifice. There's a fair old bit of (relatively titillating for the time) nudity, but highlight of the show has to be the flesh-eating monster, who turns out to be just a black guy with half ping-pong balls stuck over his eyes. ★★★

The X Files: I Want To Believe (20th Century Fox)

When you've got a franchise as strong as the X-Files, it's got to be pretty hard to kill it off altogether, and so here we are, six years after the show itself wound up, with our old chums (initially beardy) Mulder and (Still quite tasty) Scully getting dragged out of retirement and hooking up (sort of) for one last huzzah to try and get to the bottom of what's killing women in Virginia. As a stand-alone story you don't really need to be a fan to work out what's going on – it's a typically polished thriller that'll keep you watching till the end. Pity a cameo by Billy Connolly makes it feel a bit like a *Columbo*, though... ★★★

Star Stories (4DVD)

We're always up for anything that'll take the rich and famous down a peg or two, so on paper at least, *Star Stories* looks like just our cup of tea, and to be fair, it has provided a fair few highlights over its two series. Series two here features four episodes, in which Take That, Tom Cruise, Simon Cowell and Britney all receive the SS treatment. Still, you can only take spoofs so far, and a lot of the gags are a bit on the obvious side (Gary Barlow's fat and doesn't really get on with Robbie Williams! Scientology's complete bollocks!). To be honest, *Rock Profiles* was probably better. ★★★

Family Guy Season 7 (20th Century Fox)

Viewers of BBC3 shouldn't need any introduction to the Griffin family, who've been cast as the Simpsons' warped alter egos for the last few years and are still going strong into their seventh season. Although somewhat confusingly this disc doesn't really seem to correspond to the actual seventh season at all... Still, when you've got the likes of Peter, Stewie and Brian Griffin crossing swords with each other and the likes of neighbourhood sex addict Glenn Quagmire, you can't complain about technicalities like that. Laugh out loud gags every episode make this a surefire winner. ★★★★★

Tipple X

Each issue, purely in the interests of investigative journalism, Club's dedicated team will be tracking down and taste testing some premium booze just so we can give you the lowdown. This month: A beer that's come back from the dead...

Meantime London Porter

What...

No no, it's not port – this is porter! In other words, a classic variety of dark beer noted for its strength-giving properties (and hence its association with porters) that shares many of its properties with stout. In fact Arthur Guinness started out as a porter brewer, but tweaked the recipe a bit and came up with stout. Porter, though, has been out of favour for a couple of hundred years, and is only now starting to make a comeback among connoisseurs. Meantime has, after all, made it into the International Beer Challenge's top 50 for the last two years.

Why...

Well, if you haven't got time to grab a proper bite to eat, porter's just the job to put a bit more lead in your pencil, although given that Meantime's Greenwich-based brewery knocks the stuff out at 6.5% ABV, which is about the strength it used to be back in the glory days, you probably wouldn't want too many before sitting at your desk all afternoon. And for beer lovers, who could resist the urge to find out exactly what London boozers were quaffing 250 years ago, before ale and lager came on the scene...?

Where...

Traditionally, London's big markets like Smithfields, but nowadays you'll get a tasty bottle of Meantime in their very own pub, The Greenwich Union. If that's a bit out of your way, though, don't worry - Sainsbury's stock it too.

When...

Why not have it at breakfast time after a hard night's toil? Although you might then find yourself wanting to hit the sack pretty quickly afterwards...

How...

This is beer, man - so just pour it into a glass and neck it!

Who...

Porters, historians, and anyone else who fancies something other than a pint of the usual once in a while. ♣

It's the only place to find all of your bum banter and tales of backdoor fun – every month!

EMERGENCY LANDING!

I had been away for nearly a month working on a building project in Dubai. The money was great but it was agony, as it meant I had left my gorgeous girlfriend, Bethany, behind. Our regular phone sex and filthy email exchanges weren't enough. Even the pictures she sent of herself legs wide open and fucking herself with a massive dildo didn't help, they just made me want to get back there more. Sex over any sort of electronic medium can never compare to the real thing, of feeling a pair of tits in your hands, or watching her face as you slide your cock into her wet pussy. So, you could say I was glad to be coming home. Bethany is the sexiest girl I have ever been out with. About 5 foot 5, with just the right amount of curves on her body, and dark straight hair that she wears long over her shoulders. She has a thick dark bush downstairs too – I love the way that she doesn't trim it too much like some girls do, so I can push my face into the thick musky hair and inhale the smell of woman.

I walked down from the plane rapt with anticipation. I knew she would be waiting, and sure enough, as I came through customs, there she was, looking stunning in a long bright coat. I rushed through and took her into my arms, as she pressed her soft body against me. I could feel my cock start to stiffen immediately, but she began to move me away through the airport. Leaning in to me she whispered, "I'm not wearing anything under this coat, and my car is in the underground car park. Are you coming with me or not?"

We rushed to the lifts and headed down. We couldn't keep our hands off each other. The lift was quite crowded – which was lucky otherwise we would probably have fucked there and

"Lying on her back, she wrenched open her coat and then her legs, showing me what I had longed to see for weeks..."

then! Entering the carpark, she pointed to the far corner where her car was. We scurried over, and Bethany unlocked the doors and climbed into the back seat.

Lying on her back, she wrenched open her coat and then her legs, showing me what I had longed to see for weeks. She reached up and began to tug at my trousers, pulling them open and down as I tumbled into the car. We snogged furiously and I ran my hands over her firm tits as I felt her hand move down to my stiff cock and begin to slowly wank me before guiding it gently towards her snatch. I felt the tip nudge against her opening and could feel the heat coming from her before the heavenly feeling began to envelop me. I began to move up and down – pressing my full length into her – feeling the weeks of frustration melt away. But suddenly, and surprisingly, she pulled off me. I tried to move her back but she was determined, and moved me to a sitting position in the car seat.

She turned round and began to straddle me, but with her back to me, grabbing the headrests of the seats in front to steady herself, and began to press her arse invitingly towards my face. She held her cheeks wide apart – I knew what she wanted and I started to stick my tongue deep into her minge, lathering her up. With my fingers, I started to take the wetness from her cunt and lube up her pouting and ready arsehole, working my finger in there to loosen her up. Once she was all lubed, I moved her downwards and guided her arse on to my ready and willing cock. With my hands on her hips, I started to poke my cock into her arsehole, lifting her up and down as she took my cock deeper and deeper in her back passage. She began to whimper with each thrust as she jerked up and down, her tight hole becoming more and more easy to penetrate, before finally my entire seven inches was

injecting her with each thrust. Her moans got louder and louder, and the weeks of waiting got the better of me as I started to come, streaming jets of welcome spunk into her arse. She turned round, and sucked the remaining jizz off my cock, before we realised we were in a pretty public place and had better get out of there! Now that was surely worth the wait!

SPLASH BANG WALLOP!

Since we started seeing each other, my boyfriend Jack hasn't been backward in coming forward about letting me know that he's pretty keen to get his brown wings, but every time he's mentioned it I've just said something like, "Yeah, one day...". To be honest, in the beginning I didn't really fancy the idea much, but all Jack's pleading, combined with reading your Peaches letters in the Clubs he was always 'accidentally' leaving about convinced me that it was about time I granted his wishes.

To make sure it wasn't a shock to the system, I started experimenting a couple of weeks ago when I was on my own, first using my fingers and then by gently pushing one of my (smaller!) vibes up my bum while I was masturbating. After the initial surprise of the sensation I soon got used to the feeling of something hard buried deep inside my arse, and in fact only the second time with the vibe I found myself really starting to enjoy it. It was that very day I decided I couldn't wait any longer before trying Jack's lovely cock out for size!

Jack generally gets in from work about 6.45, so about half an hour before then I ran myself a bath, poured in a good bit of baby oil, and settled down in it. I couldn't resist playing with my pussy and bum at the thought of what would soon be happening, and when I head the front door bang I didn't waste any time in calling him upstairs to join me. We quite often bath together, so Jack was happy enough to strip off and join me in the tub, sitting as usual behind me with his legs either side of me and his soon-to-be-stiff cock rubbing against my back and arse.

"The feeling as his cock slowly filled up my back passage was incredible..."

Jack was soon playing with my boobs, getting the nipples even more pert and sensitive than I'd managed, and before long I knew I needed him inside me. To begin with I pushed back and up, and Jack fed his thick pole into my slippery pussy and we settled down to a nice steady fuck. I know he can last for ages like that, so I took my time, grinding down on his prick until I started to feel the first ripples of an impending orgasm tingling through me. With that I slid off his prick.

Eager to get back inside me, Jack started jabbing his cock in my direction but I took hold of it and, half turning so I could see his face, slowly began to impale my arse on it. At first he looked blank, but when it suddenly dawned on him what I was up to he grinned from ear to ear and then kissed me before lying back and closing his eyes in ecstasy.

The feeling as his cock slowly filled up my back passage was incredible – way better than the smooth vibe had felt – and once I'd squeezed over his fat helmet I slid carefully down his rigid pole till I was completely full.

After resting for a moment to catch my breath I put my elbows on the side of the bath and began to ride him, gasping with pleasure each time his cock filled me. Jack, meanwhile, had reached round and was rubbing my clit, driving even stronger sensations through me which, given that I'd already been pretty close to the edge, soon sent me crashing through an almighty orgasm. As I spasmed I felt my arse contract around his stiff shaft and almost immediately heard Jack groan as jet after jet of his hot spunk gushed into my quivering arse. It seemed to last for ages!

It took us a few minutes to get our breaths back before I could tell him that, if he's a good boy, we'll be doing it again sometime. He promised he would be, but to be honest, I don't think I'll be able to wait too long myself!

SCRUFF JUSTICE!

Ahoy there mateys! We spy the undisputed bongo film of the year to port! And a couple of others, too...

RATINGS: ★ SEAMAN STAINES ★★ MASTER BATES ★★★ CAPTAIN MORGAN ★★★★ BLACKBEARD ★★★★★ STAGNETTI

Pirates 2: Stagnetti's Revenge (Digital Playground)

Well here it is, the one we've all been waiting for – Digital Playground's mega-budget follow-up to *Pirates*. Does the budget look wasted? Is the acting so risible it makes you wish they hadn't bothered with a plot and just knocked out another scruff flick? The answer to both is a definitive 'No!'. Okay, so nobody's in danger of any recognition from the Academy, but the acting's certainly not bad, and is suitably tongue-in-cheek where it needs to be, while the film looks absolutely amazing. If you've been waiting for some scruff to put your whopping new tally through its paces, then look no further. And what about the girls? Well, with the likes of Jesse Jane, Belladonna, Shay Jordan and newbie Riley Steele, it can't be faulted. With four discs packed full of behind the scenes and extra shagging, it ain't hard to see why this went straight in at number one in America! ★★★★★

Boroka Does The Caribbean (Private)

We've watched many hours of Private's Caribbean adventures over the years, but this one caught our eye because it features our three guest editors from a few issues back, Boroka, Tarra White and Lucy Belle. So what do you know, the disc somehow found its way into the machine and getting a review! Lucy's up first, taking a frantic bumming on board a private yacht before getting a gobful of salty sun-cream. Then, after a game blonde called Britney's taken an uncomfortably sandy looking DP, Boroka and the equally cute Nesty share a cock. There's plenty of sun, sea and anal in the remaining scenes, making this a solid title. ★★★

Cum Drippers 9 (Voyeur Media)

A timeless tale of innocence, betrayal, loss and redemption... *Cum Drippers 9* is none of the above. No, what we have here is a good old fashioned creampie gonzo, with one girl after another taking one or more loads of nutbutter squarely in the smoo and then letting it, erm, dribble out. Probably, then, not one you'd want to stick on when the missus is around, but if you're after some nice dirty raincoater fodder, you could do worse. All six girls are all at the eye-pleasing end of the spectrum, with special mentions going to opener Gia and the utterly horny Isabella Dior, whose shaven pussy ends up home to five helpings of white wee. ★★★★

WHAT'S SHE LIKE? Potty-mouthed!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
Because I had a bet with my best mate. She said I had a filthy mouth because I'm always talking about sex and telling her all about the guys I've been fucking and she reckoned I was full of it. I asked her if she'd believe me if she saw me in a porn mag and she said yeah but bet I didn't have the guts to do it, so here I am Amanda!

WELL COME ON THEN, TELL US ABOUT THE GUYS YOU'VE BEEN SHAGGING.
Well, the last bloke I fucked was in this club last night! I met him at the bar – he asked me if he could by me a drink and I said no, but you can take me into the loo and fuck my pussy!

A GIRL LIKE YOU MUST HAVE HAD SOME PRETTY WILD EXPERIENCES.
Yep, the craziest night I ever had was when me and my girlfriend got really drunk and went back to her place where her sober boyfriend had been waiting for her. He was expecting to get laid and was well gutted when he saw me with her, but when she told me I had to leave because he wanted to fuck I said I wanted to stay and fuck too and we ended up having an amazing threesome – before then I didn't know pussy tasted so good, but you know I've eaten plenty more snatch since then! ♣

Stella...where to stick it!

PHOTOS: 21ST SEXTURY

If music be the food of love, play on – or so the saying goes but I disagree, food is the food of love! It's all very well putting some sexy music on but there's nothing that compares to squirting cream over your pussy and having some sexy babe lick it all off.

This is my friend Peaches, who has a bit of a taste for eating fruit out of my quim and I never like to deny her her passions, so when she showed up the other day with a punnet of strawberries and a can of whipped cream I did what every good friend would do and stripped off as fast as I could!

I love getting all mucky like this, it's so much fun and quickly becomes very arousing, but I hate wasting food so I always insist that we eat everything before we start eating each other, and Peaches has a very active imagination – you'd be amazed at some of the places she hid her strawberries from me!

And once the starters had been finished then we could get on with the main course – each other! ♣
